Leading Suppliers of Safety Products and Workwear

“Choosing the correct PPE and Workwear for today’s demanding workplace is not always easy. SIG Safety & Workwear offers you support and guidance in choosing a total safety solution to give you peace of mind.”

David Cousins Sales Director

What you want, when you want it

SIG Safety & Workwear is one of the largest suppliers of PPE and workwear in the UK. Centrally based in the West Midlands, our 55,000ft² National Distribution Centre is ideally located to serve you, wherever you are in the country.

Our huge stocks and regular deliveries ensure that you get what you want, when you want it. In fact, the majority of products featured in this Directory are available next day, as standard.

A total solution

Whatever industry our customers operate in, from heavy industrial to light catering, from professional construction to laboratory work, we are able to offer a comprehensive range of products to satisfy the most demanding performance criteria. We also offer an in-house badging service, enabling you to personalise your PPE and workwear with your choice of logo.

SIG Safety & Workwear offers independent advice and support on the products available to meet your safety specification. In addition, our Safety Audit Service, provides guidance on where you can rationalise your safety equipment, to make managing it simpler and easier.

Quality assurance

We continually check the quality of products from our leading manufacturers and suppliers to ensure that quality standards are maintained.

SIG Safety & Workwear is accredited to Quality Management ISO 9001:2000, Environmental Management Systems ISO 14001 and Quality Management Systems OHSAS 18001. We are also members of The British Safety Industry Federation (BSIF).

You can be confident that our products are of the highest quality and at competitive prices.

Also accredited to DHSAS18001 - Quality Management Systems
SIG Safety & Workwear have been assessed and registered against the provisions of ISO 14001 - Environmental Management Systems

SIG Safety & Workwear have been assessed and registered against the provisions of BS EN ISO 9001 : 2000

SIG Safety & Workwear are part of Specialist Construction Products, a division of global distributors SIG. Specialist Construction Products (SCP) supplies specialist, high quality construction materials via a nationwide network of specialist businesses. This network offers you a massive choice of stock, combined with flexible delivery, great service and expert product advice.

In addition to safety and workwear, we offer:

- Groundwork engineering products
- Specialist construction chemicals
- Masonry components
- Scaffolding
- Temporary fencing
- Mechanical & electrical
- Acoustic & vibration products

SCP supplies leading brand products, ensuring that you have the best choice of the highest quality products, available at competitive prices.
